

I Will Follow Her

Bobby Darin

I love her, I love her, I love her
And where she goes I'll follow, I'll follow, I'll follow

I will follow her
Follow her wherever she may go
There isn't an ocean too deep
A mountain so high it can keep me away

I must follow her
Ever since she touched my hand I knew
That near her I always must be
And nothin' can keep her from me, she is my destiny

I love her, I love her, I love her
And where she goes I'll follow, I'll follow, I'll follow
She'll always be my true love, my true love, my true love
From now until forever, forever, forever

I will follow her
Follow her wherever she may go
There isn't an ocean too deep
A mountain so high it can keep, keep me away
Away from my love

I love her, I love her, I love her
And where she goes I'll follow, I'll follow, I'll follow
I'll always be her true love, her true love, her true love
From now until forever, forever, forever.

I will follow her
Follow her wherever she may go
There isn't an ocean too deep
A mountain so high it can keep, keep me away
Away from my love

Away from my love
Away from my love
Away from my love
