I Won't Last A Day Without You

Bobby Darin

Day after day I must face a world of strangers
Where I don't belong, I'm not that strong
It's nice to know that there's someone I can turn to
Who will always care, you're always there

When there's no getting over that rainbow
When my smallest of dreams won't come true
I can take all the madness the world has to give
But I won't last a day without you

So many times when the city seems to be
Without a friendly face, a lonely place
It is nice to know that you'll be there if I need you
And you'll always smile, it's all worth while

When there's no getting over that rainbow
When my smallest of dreams won't come true
I can take all the madness the world has to give
But I won't last a day without you.

Touch me and I end up singin'
Trouble seems to up and disappear ... awh, ya gotta do it ...
Touch me with a love your bringin'
I can't really lose when you're here

When there's no getting over that rainbow
When my smallest of dreams won't come true
I can take all the madness the world has to give
But I won't last a day ... without you ...

Without you ...
Without you ... ...
