

It's Today

Bobby Darin

Pass the peanuts
Get the ice out
Roll the rug up
It's today

Though it may not be anyone's birthday
And though it's far from the first of the year
I know that this very minute has history in it, we're here!

It's a time for making merry
And I'm for making hay
Tune the grand up
Dance your shoes off
Strike the band up
It's today!

Light up the candles
Fill the punch bowl
Throw confetti
It's today

Life can also be lived on a weekday
So don't depend on a holiday date
If you need New Year's to bubble
Then order a double and wait
I wait

There's a "thank you" you can give life
If you live life all the way
Call the cops out
Hold the roof down
Pull the stops out
It's today!
