

Judy, Don't Be Moody

Bobby Darin

Judy, Judy, don't be moody
Judy, Judy, don't be blue
Judy, Judy, don't be moody
Baby, baby, I love you

You are the only one for me
...

Judy, Judy, don't be moody
Just forget the tears you cry
Judy, Judy, don't be moody
I am right here by your side

My heart belongs to only you
And I could never be untrue

Just because someone said
That I had a date with Rosemary
Why should you think it's true?
Baby, baby, it could never be

Judy, Judy, don't be moody
Come and kiss me, Judy do
Judy, Judy, don't be moody
You know I'm in love with you

Just because someone said
That I had a date with Rosemary
Why should you think it's true?
Baby, baby, it could never be

Judy, Judy, don't be moody
Come and kiss me, Judy do
Judy, Judy, don't be moody
You know I'm in love with you

You know that I'm in love with you
You know that I'm in love with you
You know that I'm in love with you
You know that I'm in love with you
