

# Lover Come Back To Me

Bobby Darin

The sky was blue  
And high above  
The moon was new  
And so was love  
This eager heart of mine was singin'  
Lover, where can you be?

You came at last  
Love had its day  
That day is past  
You've gone away  
This achin' heart of mine is singin'  
Lover, come back to me

When I remember every little thing  
You used to do  
I'm so lonely  
Every road I walked along  
I walked along with you  
No wonder I am lonely

The sky is blue  
The night is cold  
The moon is new  
But, love is old  
And while I'm waitin' here  
This heart of mine is singin'  
Lover, come back to me

When I remember every little thing  
You used to do  
Honey, I get oh, so lonely  
Every road I walked along  
I walked along with you  
Ain't no wonder I am lonely

The sky is blue  
The night is cold  
The moon is new  
But, love is old  
And while I'm waitin' here  
This heart of mine is singin'  
Lover, come back  
Lover, come back  
Lover, come back to me

Lover, come back  
Lover, come back  
Lover, come back to me

Lover, come on back  
Lover, come on back  
Lover, come on back to me  
Come on back to me girl  
Come on back girl  
Lover, come back to me
