

Once Upon a Time

Bobby Darin

Once upon a time
A girl with moonlight in her eyes
Put her hand in mine
And said she loved me so

But that was once upon a time
And oh, so long ago

Once upon a hill
We sat beneath a willow tree
We were counting all the stars
And waiting for the dawn

But that was once upon a time
Now the tree is gone

How the breeze
Use to ruffled through her hair
How we would always laughed?
As though tomorrow wasn't there

We were young and never were care
Where did it go?

Once upon a time
This world was sweeter than we knew
Everything was ours
How happy we were then

But somehow once upon a time
Never comes again
