

## Rainin'

Bobby Darin

It keeps on rainin'  
Everyday  
Just keeps on rainin'  
Won't go away

Same old love story  
You've heard before  
I tried  
She lied  
I cried  
Inside...

It keeps on rainin'  
Oh, how much more  
Will it keep rainin'  
Will it still pour?

Maybe there's someone  
Waitin' around  
The bend  
A friend  
Who'll lend  
An end...

To all this rainin'  
This awful rainin'  
And bring me some love

It keeps on rainin'  
Oh, how much more  
Will it keep rainin'  
Will it still pour?

Maybe there's someone  
Waitin' around  
The bend  
A friend  
Who'll lend  
An end...

To all this rainin'  
This awful rainin'  
And bring me some love
