

# Tell Me How Do You Feel

Bobby Darin

Tell me how do you feel  
When your baby's loving your best friend?  
(I wanna know, I wanna know)  
I said, how do you feel  
When your baby's loving your best friend?  
(I wanna know, I wanna know)

Yes, do you feel like going crazy  
Or do you feel you've always been?  
(I wanna know, I wanna know, I wanna know)

Hey, hey, tell me how how do you feel  
When your baby crosses your mind?  
(I wanna know, I wanna know)  
Tell me how do you feel  
When your baby crosses your mind?  
(I wanna know, I wanna know)

Do you crack up with loud laughter?  
Or do you break down and start crying?  
(I wanna know, I wanna know, I wanna know)

Tell me how do you feel, partner  
And I want the truth and not a lie  
(I wanna know, I wanna know)  
Yeah, how do you feel, partner  
I want the truth and not a lie?  
(I wanna know, I wanna know)

Because if you feel good on the inside  
I must admit you're a better man than I  
(I wanna know, I wanna know, I wanna know)

Oh, would you feel happy now  
Or would you feel sad  
When you lost the best girl  
That you ever had?

I wanna know  
(I wanna know)  
I wanna know  
(I wanna know)

I wanna know  
(I wanna know)  
I wanna know  
(I wanna know)  
I wanna know, yes, I wanna know  
(I wanna know, I wanna know, I wanna know)

Would you feel happy now  
Or would you feel sad  
When you lost the best girl  
That you ever had?

I wanna know  
(I wanna know)

I wanna know  
(I wanna know)

I wanna know  
(I wanna know)  
I wanna know  
(I wanna know)  
I wanna know, yes, I wanna know  
(I wanna know, I wanna know, I wanna know)

It's alright  
(It's alright)  
It's alright  
(It's alright)

It's alright  
(It's alright)  
It's alright  
(It's alright)

It's alright  
(It's alright)  
It's alright  
(It's alright)
