

The Good Life

Bobby Darin

Oh ... the good life
Full of fun seems to be the ideal
Yes, the good life
Lets you hide all the sadness you feel

You won't really fall in love
For you can't take the chance
So be honest with yourself
Don't try to fake romance

It's the good life
To be free and explore the unknown
Like the heartaches
When you learn you must face them alone

Please remember that I still want you
And in case you wonder why
Well ... just wake up
And kiss that good life goodbye

It's the good life
To be free and explore the unknown
Like the heartaches
When you learn you must face them alone

Please remember I still want
And in case you wonder why
Well ... just wake up
And kiss that good life goodbye

Takata goon goon goon...
