

# The Lady Came From Baltimore

**Bobby Darin**

The lady came from Baltimore  
All she wore was lace  
She didn't know that I was poor  
She never saw my place

I was there to steal her money  
Take her rings and run  
Then I fell in love with the lady  
Got away with none

The lady's name was Susan Moore  
Her daddy read the law  
She didn't know that I was poor  
And lived outside the law

Her daddy said, I was a thief  
And didn't marry her for love  
But I was Susan's true belief  
I married her for love

I was there to steal her money  
Take her rings and run  
Then I fell in love with the lady  
Got away with none

House she lived in had a wall  
To keep the robbers out  
She'd never stop to think at all  
That's what I'm about

I was there to steal her money  
Take her rings and run  
Then I fell in love with the lady  
Got away with none

Then I fell in love with the lady  
Got away with none
