

What a Difference a Day Makes

Bobby Darin

What a difference a day makes
Only twenty-four hours
Brought the sun and the flowers
Where there used to be rain.

My yesterday was blue, dear
Today I'm part of you, dear
My lonely nights are through, dear
Since ya said you were mine.

What a difference a day makes
There's a rainbow before me
Skies above can't be stormy
Since that moment of bliss
Your thrillin' kiss.

It's heaven when you
Find romance on your menu
What a difference a day made
And the difference is you.

What a difference a day makes
There's a rainbow before me
Skies above can't be stormy
Since that moment of bliss
Your thrillin' kiss.

It's heaven when you
Find some romance on your menu
What a difference a day made
And the difference is you.
