

And I Love You So

Bobby Goldsboro

And I love you so
The people ask me how
How I've lived till now
I tell them I don't know
I guess they understand how lonely life has been
But life began again
The day you took my hand

And yes, I know how lonely life can be
The shadows follow me
And the night won't set me free
But I don't let the evening get me down
Now that you're around me

And you'll love me too
You thought's are just for me
You set my spirit free
I'm happy that you do
The book of life is brief
And once a page is read
All but love is dead
That is my belief

And yes, I know how lonely life can be
The shadows follow me
And night won't set me free
But I don't let the evening get me down
Now that's you're around me
