

# It's Too Late

Bobby Goldsboro

I remember when I told you  
That I tried in every way  
To hold you and kiss you  
AND love you and keep you  
Till my dying day

You just laughed  
And said you'd found somebody new  
And you didn't need all  
The things I could do

Now you found out that your new love  
Isn't true like he should be  
You say that you're gonna forget him  
And you're gonna come back to me

Well, things have changed  
And I've found me somebody new  
Someone to make me forget about you  
And I'm telling you

That it's too late to say you're sorry  
It's too late to say you're mine  
I have found myself a new love  
And I'm going to make her mine

It's too late  
It's too late

Many days I tried to call you  
Many nights I spent alone  
Everyone knew that I loved you  
But you had a love of your own

But now that he's gone  
You think you can come back to me  
But I'm not the same fool  
That I used to be  
And you're gonna see

That it's too late to say you're sorry  
It's too late to say you're mine  
I have found myself a new love  
And I'm going to make her mine

It's too late  
It's too late  
To say you're mine

It's too late to say you're sorry  
It's too late to say you're mine  
I have found myself a new love  
And I'm going to make her mine

It's too late to say you're sorry  
It's too late to say you're mine  
I have found myself a new love

And I'm going to make her mine
