

Soma So de la de Sase

Bobby McFerrin

ah mi no tah so mae o shaena
soma so la de sase
ah ki o tah so lae osha
soma so la de sase

is there a mind behind the voice,
are we awake or sleeping?
is there a hand to guide the choice,
is there rest from our weeping?
where is the rare one?
where is the sage?
who has the words of beauty?
who will awaken us from sleep?
who will perform their duty?

ah mi no tah so mae o shaena
soma so la de sase
ah ki o tah so lae osha
soma so la de sase
