

Regretfully

Bobby Pulido

I'm sitting alone here, thinking about you
I want you to know that my love for you is true
And I hope you understand, I wanna be your man
So that you're mine, I hope you'd love me too

You're in my thoughts all day, it really drives me crazy
You're perfect in every way, I really need you, baby
So if you ever need someone, I tell you I'm the one
Please just give it a try, we might just have some fun

I'm sitting alone here, thinking about you
I want you to know that my love for you is true
And I hope you understand, I wanna be your man
So that you're mine, I hope you'd love me too

You're in my thoughts all day, it really drives me crazy
You're perfect in every way, I really need you, baby
But as far as I can see, you really don't love me
So you'll never hear me regretfully
So you'll never hear me regretfully
