Regretfully

Bobby Pulido

I'm sitting alone here, thinking about you I want you to know that my love for you is true And I hope you understand, I wanna be your man So that you're mine, I hope you'd love me too

You're in my thoughts all day, it really drives me crazy You're perfect in every way, I really need you, baby So if you ever need someone, I tell you I'm the one Please just give it a try, we might just have some fun

I'm sitting alone here, thinking about you I want you to know that my love for you is true And I hope you understand, I wanna be your man So that you're mine, I hope you'd love me too

You're in my thoughts all day, it really drives me crazy You're perfect in every way, I really need you, baby But as far as I can see, you really don't love me So you'll never hear me regretfully So you'll never hear me regretfully
