

Come Back When You Grow Up

Bobby Vee

Come back when you grow up, girl
You're still livin' in a paper-doll world
Livin' ain't easy, lovin's twice as tough
So come back, baby, when you grow up

You look real good like a woman now
Your mind hasn't gotten the message somehow
So if you can't take it 'n' the goin' gets rough
Come back, baby, when you grow up

I want you girl but your wide-eyed innocence
Has really messed up my mind, yeah-eah-eah
I'd rather you get your very first heartbreak
Somewhere else along the line

Come back when you grow up, girl
You're still livin' in a paper-doll world
Some day be a woman ready to love
Come back, baby, when you grow up

Come back when you grow up, girl
You're still livin' in a paper-doll world
Livin' ain't easy, lovin's twice as tough
So come back, baby, when you grow up

Come back when you grow up, girl
You've still got a lotta time left in the world
You'll some day be a woman ready to love
Come back, baby, when you grow up

Come back when you grow up, girl
You're still livin' in a paper-doll world
Livin' ain't easy, lovin's twice as tough
So come back, baby, when you grow up
