

Cross My Heart

Bobby Vee

There's no one for me but you
Believe me (believe me)
I'll give all my love to you
Believe me (believe me)

Cross my heart and I hope to die
I won't change as the time goes by
My love will grow, just don't you
Go and leave me (leave me)

I feel so good whenever
You are near me (near me)
I pray that you will stay
Forever near me (near me)

Don't lemme down, don't go
Don't play games with my heart
Please say that you won't go
'Cause I couldn't stand it
If we were apart

Oh, the things you do are all
The things that please me (please me)
I hope you'll always be the one
That needs me (needs me)

Cross my heart and I hope to die
I cross my heart, I won't make you cry
Cross my heart and I hope to die
Cross my heart, I won't say goodbye
