

Look At Me Girl

Bobby Vee

Look at me, girl
I'm trying hard to make you see
That it won't do, my being free
I gotta have you by my side
To take away the spell inside of me

Look at me, girl
Can't you see, everything you do
Is all right if I have you
It's just me, oh, I'm all set
Please remember, don't forget
What I say

I really love you
And I want you to know
I'm thinking of you, girl
Everywhere I go

Look at me, girl
Please don't turn away when I say
That I long to see the day
When our clouds will pass away
And you'll be mine again, I'll pray

I really love you
And I want you to know
I'm thinking of you, girl
Everywhere I go

Look at me, girl
Please don't turn away when I say
That I long to see the day
When our clouds will pass away
And you'll be mine again, I'll pray

Look at me, girl
Look at me, girl
Look at me, girl
Look at me, girl.
