

## Let's Kiss And Make Up

**Bobby Vinton**

Last night we had a quarrel  
And I lost my head  
How silly of me to say  
The things I said

Let's kiss and make up  
Why should we break up  
Say it's not too late yet  
To forgive and forget

Funny but it doesn't matter now  
Who was wrong or right  
Darling all that matters now  
Is that I miss you tonight

Let's kiss and make up  
Why should we break up  
Say it's not too late yet  
To forgive and forget

'Cause I'd do anything  
To be with you again

Let's kiss and make up  
Why should we break up  
Say it's not too late yet  
To forgive and forget
