

# Somebody's Breakin' My Heart

**Bobby Vinton**

I've been tryin' all night  
With all of my might  
To reason away  
What I saw yesterday  
But there's no use denyin'  
Just as sure as I'm cryin'  
It's true

Somebody's breakin' my heart in two  
Somebody's paintin' my sunshine blue  
Somebody's makin' a fool  
Out of someone who loves her true  
Somebody's breakin' my heart in two

Through a blur of a tear,  
I could see very clear  
The fool I had been  
As I watched you with him  
For the love in your eyes  
Was as plain as the rain  
On my face
