

# The First Time Ever I Saw Your Face

**Bobby Vinton**

The first time ever I saw your face  
I thought the sun rose in your eyes  
And the moon and the stars were the gifts you gave  
To the dark and the empty skies

The first time ever I kissed your mouth  
I felt the earth move in my hand  
Like the trembling heart of a captive bird  
That was there at my command

The first time ever I lay with you  
And felt your heart beat so close to mine  
I knew our joy would fill the earth  
And last till the end of time  
And last till the end of time

The first time ever I saw your face  
Saw your face, saw your face  
Saw your face
