

## Forever On My Mind

BoDeans

You go on alone  
I don't want to stop you  
From doing what you want  
From doing what you have to do  
I don't think it's right  
Standing in your way  
But I don't want to see  
You throw it all away  
Can you tell me what to do  
Tell me what to say  
Now every little dream I dream  
Is calling out your name  
And I'm running out of tears  
Running out of time  
I keep you in my heart  
And forever on my mind  
So I'll be over here  
Standing in the window  
Standing in a line  
Of broken-hearted people  
I'm waiting on a word  
What it is you say  
Make yourself believe  
It's gonna be okay  
Can you tell me what to do  
I'm really just afraid  
Now every little dream I dream  
Is calling out your name  
And I'm running out of tears  
Running out of time  
I keep you in my heart  
And forever on my mind  
And forever on my mind  
Yeah
