

## Rickshaw Riding

BoDeans

Rickshaw riding, oh, with you  
Rickshaw riding, oh, with you

Lookin' at the world  
See it all rumblin' down  
People in the street  
They're runnin' all around

I wonder but who can say?  
I just want to be  
Holding you close, near me, touch me  
Tokyo Rose, she's right above me

We'll see the rising sun  
Will you be my mama-san?

Rickshaw riding, oh, with you  
Rickshaw riding, oh, with you

I'm takin' what I need  
And I'm giving what I can  
How much more can you ask of a man?

Take my hand and come with me  
I just wanna be  
Holdin' you close, near me, touch me  
Tokyo Rose, right above me

We'll see the risin' sun  
Will you be my mama-san?

Rickshaw riding, oh, with you  
Rickshaw riding, oh, with you  
Rickshaw riding, oh, with you  
Oh, with you, oh, with you
