

## She's A Runaway

BoDeans

You know Mary was a woman fine  
She was living with a hard guy  
Mary got beat up  
One too many times

She's a runaway  
She's a runaway

Mary stole some money  
And she got herself a gun  
Then she shot her man down  
Now she's on the run

She's a runaway  
She's a runaway

Well, she ain't lookin' back anymore  
She said, "Catch me if you can anymore"

You know she didn't wanna do it  
But he just pushed her too far  
Everybody got a breakin' point  
And baby, there you are

She's a runaway  
Run, run, runaway

She's a runaway  
Run, run, runaway

Well, she ain't lookin' back anymore  
She said, "Catch me if you can anymore"

Well, that's the story  
Of Mary and the gun  
You know, she's a lot tougher now  
She's livin' on the run

She's a runaway  
She's a runaway  
Run, run, runaway  
She's a runaway
