

# Ultimately Fine

BoDeans

I see your walkin' and I hear your talkin'  
And when your dancin' you leave all the boys behind  
Hey what's your secret? I gotta know  
Won't ya tell me how ya' always steal the show

Ultimately Fine,  
The girl is, Ultimately Fine  
When it comes to makin' boys go crazy  
The girl is, Ultimately Fine

High heels and lipstick, dress is so tight  
she's got ya' turnin' lip, when ya want it to go right  
And with those long legs  
She'll walk over you

Stay away boy if ya' can  
Or ain't you heard the news  
Ultimately Fine,  
The girl is, Ultimately Fine

When it comes to makin boys go crazy  
The girl is, Ultimately Fine

She ain't built for comfort  
She's built for speed  
She'll turn your head around, and bring ya to your knees  
Don't try to pass her

Don't try to run,  
She'll chew and spit ya' out  
and oh it's just for fun  
Ultimately Fine,

The girl is, Ultimately Fine  
When it comes to makin' boys go crazy  
The girl is, Ultimately Fine  
Ultimately Fine,

The girl is, Ultimately Fine
