

## Institutionalized 2014

### Body Count

Yo I came home from work the other day  
I was tired  
I just wanted to sit back in my big chair  
And play a little Xbox  
You know  
Relax a little  
Then my wife comes in  
She starts telling me  
I play too much Xbox  
I said what the fuck do you mean  
This is just how I relax  
Can I just play a little Xbox  
Then she says  
I saw on Oprah today  
That guys who play video games  
Don't love their wives  
I'm like motherfucking bitch  
Fuck Oprah  
I don't give a fuck  
I wanna play my video games  
I don't give a fuck about Oprah  
Oprah ain't got no man  
You better worry about your motherfucking self  
I just wanna kill some motherfuckers on Xbox  
She said  
You seem like you have a anger problem  
Maybe you need some help  
I'm like  
Bitch call the police now  
Gonna be institutionalized  
You'll come out brainwashed with bloodshot eyes  
You won't have any say  
They'll brainwash you until you see they way  
I'm not crazy - institution  
You're the one that's crazy -institution  
You're driving me crazy - institution  
They put me in a institution  
Said it was the only solution  
To give me the professional help  
To save from the enemy myself  
The other day I go on the internet  
I'm just trying to check my email  
So put in my password  
It says I have an invalid password  
I know my fuckin' password  
So then it says go to customer service  
So I get on customer service  
I start talking to this dude  
This motherfucker sounds like he's from India or some shit  
He says to me  
Whats your first dogs name  
I don't know what my fuckin' first dogs name was  
What the fucks the matter wit you  
I just want my password  
Gimme my fuckin' password  
So then he ends up giving me my password  
And he says

Your password has been sent to your email address  
I'm like I cant get in my email address  
What about cant get in my email address do you not understand motherfucker  
He says oh my god  
It seems like you have an anger problem  
You should have that checked out  
I'm not crazy - institution  
You're the one that's crazy -institution  
You're driving me crazy - institution  
They put me in a institution  
Said it was the only solution  
To give me the professional help  
To save from the enemy myself  
The other day I'm just sittin' alone  
On lunch break at my job  
Trying to eat a ham sandwich  
Got little potato chips on the side  
Little koo-aid  
This motherfucker walks up to me and says  
Are you gonna eat that  
Like yeah I'm gonna eat that  
What the fuck you think I'm gonna do  
Shove it up your ass  
Do you understand that that pork can kill you  
Look motherfucker  
Pork is not gonna kill me  
Unless they figure a way  
To shoot it out of a fucking gun  
But I might kill you  
If you keep fuckin' with me  
He says hey calm down  
I'm a vegan  
Fuck a vegan  
I could give a fuck if you eat sawdust motherfucker  
Just step away from my fucking sandwich  
He said do you realize how much sugar is in that kool-aid  
I said do you realize how much blood is in a human body  
Do you wanna see it motherfucker  
Oh my god  
You need therapy  
You have an anger problem  
Ahhhhhhh  
I'm not crazy - institution  
You're the one that's crazy -institution  
You're driving me crazy - institution  
They put me in a institution  
Said it was the only solution  
To give me the professional help  
To save from the enemy myself
