Next To You

I can't stand it for another day When you live so many miles away Nothing here is gonna make me stay (You) took me over, let me find a way I sold my house I sold my motor too All I want is to be Next To You I'd rob a bank Maybe steal a plane You took me over Think I'm goin' insane What can I do, All I want is to be next to you What can I do, All I want is to be next to you I've had a thousand girls or maybe more But I've never felt like this before But I just don't know what's come over me You took me over, take a look at me What can I do, All I want is to be next to you What can I do, All I want is to be next to you All I want is to be next to you All I want is to be next to you All I want is to be next to you So many times I used to give a sign Got this feeling, gonna lose my mind When all it is is just a love affair You took me over baby, take me there What can I do, All I want is to be next to you What can I do, All I want is to be next to you What can I do, All I want is to be next to you What can I do, All I want is to be next to you All I want is to be next to you...
