

No Payback

Bodyjar

This entertainment seems to never stop.
She won't talk too him
And then if I call now, Ill feel better
And I'm not sure I wont.

I can see everything I need before my eyes.

Its time to buy something to save my time
Comes with so much more
Should I waste my time?
Maybe finally find
What I've been Searching for

No payback

Always be the lasts to know.
