Bodyjar

Demands on you, and what you're apt to do  
They dwell inside, then leave you on the outside  
As aggression  
Do you need attention?  
Do you need attention?

This situation is not what it seems  
This situation will soon be at ease  
This situation will leave you if you let it

It counts on you, to get what you can achieve  
And you can strive, It'll leave you on the outside  
As aggression  
Do you need attention?  
Do you need attention?
