

## Behind Enemy Lines

**Bolt Thrower**

Behind the lines  
Concealed  
Deconstructed truth  
Revealed  
Clear from all known danger  
Hostility deplored  
Ignorance the principal  
Unknown wars

Now beneath  
Electrical skies  
Artilleries  
Uneartly cry  
Devastating power  
Cynically imposed  
Futile resistance  
Savagely dispose

No expectations  
Courage of despair  
Annihilated wisdom  
Belligerence declared

It's all illusion  
Life's tragedy  
No comprehension  
Beyond infinity
