

## Sixth Chapter

**Bolt Thrower**

Technology - Now controls  
Powersystems - Overload  
In the matrix - Once your mind  
Lies the sorrow - None survive

Globalised - Authority  
World enmeshed - Hyper reality  
Brain connected - Consume priority  
End millennium - Mass anxiety

Time compressed - Rapidity  
Space is stretched - New totality

Pulse still beats - Deep inside  
Accept the chaos - Embrace new life  
One mans valour - Others sin  
One chapter closes - Another begins

A final tribute  
Overshadowed by stone  
At the end  
Alone
