

## Showerbeers!

### Bomb the Music Industry!

I just got paid/lost my job so it's a heavy night of drinking.  
You can smoke in the bar so when I come home I'm stinking.  
The smell on my clothes is offending to the nose  
But that's not the reason that I'm stepping in.  
The only reason I take a shower is so I can drink a showerbeer.
