

Flaws

Bombay Bicycle Club

Taking the second plan,
Begging to understand,
Life of a selfless man.

'Cause out of all the flaws I've stumbled on,
It's the hardest one to focus on.
It's the hardest one to focus on.

Why are you calling up?
Isn't one enough?
Giving up all she's got.

'Cause out of all the flaws I've stumbled on,
It's the hardest one to focus on.
It's the hardest one to focus on.
