

## Lamplight

Bombay Bicycle Club

You mirror gaze while I decide  
The moment you were deified  
You turn as if your mind replies  
If your devout is unsurmountable

These scattered flashes of delight  
They can't help but sway your mind

Never really put me right  
The words we said by dim lamplight  
Bodies cold and intertwined  
I feel the spirit  
I feel the...

These scattered flashes of delight  
They can't help but sway your mind

These scattered flashes of delight  
They can't help but sway your mind

These scattered flashes of delight  
Can't help but sway your mind
