

Sixteen

Bombay Bicycle Club

And so far we had someone
That doesn't work for everyone.
But I'm thinking this could be the one,
If we put our minds to it.

And I came round today,
So I had so much to say;
And I know you hate seeing me this way,
But I'm having fun.

You realise, you realise;
It's real life, it's real life.
You realise, you realise;
It's real life, it's real life. (2x)

Trying to prove you're alright;
And losing track of the time.
Even when the Summer's passing by.

And bringing it down to focus;
And try to bring it down but I'm hopeless;
And we should write this down, so we can remember it.

And yes there was a time
When we were two of a kind,
but now I can't even remember why.

You realise, you realise;
It's real life, it's real life.
You realise, you realise;
It's real life, it's real life.

Trying to prove you're alright;
And losing track of the time.
Sixteen is on the side.
Don't waste anytime inside.
Even when the Summer's passing by
