

The Giantess

Bombay Bicycle Club

Once is better than a life-time
Once is better than a whole long side
When you catch it in the humble life
You can get it in the after
You can hold it in the older while
When the back of her
You're so damn worked-over

Where's the lightning
Where's the lightning
Where's the lightning
Now

Where's your finger's
Where's your finger's
Where's your finger's
Now

He can taste it
He can taste it
He can taste it
Now

Come and get it
Come and get it
Come and get it
Now

Once is better than a life-time
Once is better than a whole long side
When you catch it in the humble life
You can get it in the after
You can hold it in the older while
When the back of her
You're so damn worked-over
