Other emcee's can't swing with us
'cause we are the crew that's rocking non-stop
We shake you off like electric shock
'cause we are the crew that's rocking non-stop
And we gotta funky song
So come on, baby, sing along

Keepin' it thrilled, never coming out cheap
Locked the door down just like kool keith
Got mad bull, got the highest feet
But the media bowl, it's just we can swing

Rock with they honeys and roll with the creeps
Only sucker punks get treated like leech
Down with the bomfunk you have to guarantee
That we rock the crowd so viciously

Gis is the Wiz behind the dopest beats
Chuckin' while I'm rockin' to all you party peeps
Up flying all time but breaks are all we need
So once again have you been boomin' in your Jeeps

Balling, calling for all ya funky freaks
Like it or not, this is how we proceed
Roll the Rizla got some leftover leaves
Light it up, huff and puff and just ease
Take a ride and watch the honeys
Any Girl, any shows therapy
Got what it takes, see I got the necessary
Ingredients to rock the house, very

Unique with the style, skills and techniques
Not just momentarily but week after week
