Right about now, in this place to be  
Most definitely the Bomfunk MC's dropping the bomb  
Whole lotta soul as he cuts it up  
Rock, rock and roll as he cuts it up  
Cutmaster King with hardcore cuts  
Makin' it rough, rock, rocking tha spot  
Cool evidently as he cuts it up  
Break, breakin' the funk as he cuts it up  
Wounded heart with the B-Boys drop  
Dropping the bomb, rock, rocking tha spot  
Watch behind move as he cuts it up  
Delivering the groove as he cuts it up  
Transforming the shit to the beat that rocks  
Bad meaning, bad meaning, don't stop  
You know you're itchy when he cuts it up  
Place get wet as he cuts it up  
Pure madness on wheels, throw 'em up, throw 'em up  
Go, Gismo, go, let me see what you're made of  
Hear me out now 'cause mic, I will rock
