(Super electric)
(Super electric)
(Super electric)
Super electric sound
(Super electric)
From the underground
(Super electric)
Super electric songs
(Super electric)
Blasting through your ears
As we break it down
To the nitty gritty groove
The bits and the beats
An electric boogaloo
Yes it is rocking
The loop is always cool
It never went away
Just check out my moves

Super electric songs
(Super electric)
Blasting through your ears
We grew up from the sounds
Our ghetto blaster was huge
We're from the underground
Of the city and the loose
We're the baddest mistakes
You meeting out there and cool
Banging and scheming
Trying to trash school
