

## 21 M??N WATER

Bon Iver

The math ahead  
The math behind it  
It's moon water

The math ahead  
The math behind  
Moon water

Remomrize numb  
And half the hum  
For moon water

I'd hide Berlin  
To run and find it  
Moon water

The path ahead  
The path behind it  
It's moon water
