

# Ain't No Cure for Love

Bon Jovi

Ain't no cure for love  
Ain't no cure for love  
There ain't no cure for love  
Ain't no cure

Cupid was a blind man  
He must have missed his mark  
Shot an arrow in the air and hit me in the heart  
I went to see Saint Valentine  
Said "What's come over me?"  
Daddy must have missed the chapter about the birds and bees  
You can be the King of diamonds  
You can cash in all your gold  
You could hire Johnnie Cochran  
It's too late to save your soul

Don't need no shot, no ambulance  
Don't need prescription drugs  
There ain't no cure for love  
They can find the cure for the common cold  
When the pushing comes to shove  
There ain't no cure for love

Now someone call my lawyer  
I'm going to see my shrink  
I found myself in the jewelry store buying a diamond ring  
I went to see my doctor  
Said "Won't you help me please?"  
He said "Son I'm sorry, it's a terminal disease"  
Can't get no love insurance  
Cupid draws his bow  
I ain't waving boys, I'm drowning  
It's a damn good way to go

Don't need no shot, no ambulance  
Don't need prescription drugs  
There ain't no cure for love  
They can find the cure for the common cold  
When the pushing comes to shove  
There ain't no cure for love

You can be the King of Diamonds  
You can cash in all your gold  
You can hire Johnnie Cochran  
It's too late to save your soul

Don't need no shot, no ambulance  
Don't need prescription drugs  
There ain't no cure for love  
They can find the cure for the common cold  
When the pushing comes to shove  
There ain't no cure for love

No aspirin  
No ambulance  
Or Voodoo you can think up  
Ain't no cure for love

Ain't' no cure for love  
Ain't no cure for love  
Ain't no cure for love

There ain't no cure for love  
Ain't no cure for love  
Ain't no cure for love
