

# Because We Can

Bon Jovi

I don't wanna be another wave in the ocean  
I am a rock not just another grain of sand  
I wanna be the one you run to when you need a shoulder  
I ain't a soldier but I'm here to take a stand  
Because we can

She's in the kitchen staring out the window  
So tired of living life in black and white  
Right now she's missing those technicolor kisses  
When he turns down the lights

Lately he's feeling like a broken promise  
In the mirror staring down his doubt  
There's only one thing in this world that he knows  
He said forever and he'll never let her down

I don't wanna be another wave in the ocean  
I am a rock not just another grain of sand  
I wanna be the one you run to when you need a shoulder  
I ain't a soldier but I'm here to take a stand  
Because we can

TV and takeout on the coffee table  
Paper dishes, pour a glass of wine  
Turn down the sound and move a little closer  
And for the moment everything is alright

I don't wanna be another wave in the ocean  
I am a rock not just another grain of sand  
I wanna be the one you run to when you need a shoulder  
I ain't a soldier but I'm here to take a stand

Because we can, our love can move a mountain  
We can, if you believe in we  
We can, just wrap your arms around me  
We can, we can

I don't wanna be another wave in the ocean  
I am a rock not just another grain of sand  
I wanna be the one you run to when you need a shoulder  
I ain't a soldier but I'm here to take a stand

I don't wanna be another wave in the ocean  
I am a rock not just another grain of sand  
I wanna be the one you run to when you need a shoulder  
I ain't a soldier but I'm here to take a stand

Because we can, our love can move a mountain  
We can, if you believe in we  
We can, just wrap your arms around me  
We can, we can  
Because we can
