

Blood On Blood

Bon Jovi

I can still remember when i was just a kid,
When friends were friends forever and what you said was what
You did
Well, it was me and Danny and Bobby we cut each other's hands
And held tight to a promise only brothers understand

But we were so young (so young)
One for all and all for one Just as sure as the river's
Gonna run

Blood on blood , One on one
We'd still be standing When all was said and done
Blood on blood One on one
And i'll be here for you Till Kingdom come
Blood on blood

Pořád stejné :

Well, Bobby was our hero Cause he had this fake I.D.
I got busted stealing cigarettes And he took the rap for me
Danny knew this white trash girl We each threw in a ten
She took us to this cheap motel And turned us into men

We were so young (so young)
One for all and all for one
Just as sure the river's
Gonna run

Blood on blood
One on one
We'd still be standing
When all is said and done
Blood on blood
One on one
And i'll be there for you
Till Kingdom come
Blood on blood

Now Bobby he's an uptown lawyer Danny he's a medicine man"
And me, i'm just the singer In an long haired rock 'n roll band
Through the years and miles between It's been a long and lonely ride
But if i got a call in the Dead of the night I'd be right by your side

Blood on blood
Blood on blood

Blood on blood
One on one
We'd still be standing
When it's all said and done
Blood on blood
One on one
And i'll be there for you
Till Kingdom come
Blood on blood
