

Bullet

Bon Jovi

1. Dateline early Sunday morning
Shots ring out without a warning
No one seems to even blink in this town
2. Two dead and a baby missing
Sirens screaming in the distance
A mother pleading bring my baby home now
- X1: For the pink slip of an SUV
A night cut down with tragedy
His defence another generation breakdown

Yeah, Yeah

R: What is the distance
between a bullet and a gun
God are you listening
Or have you just given up

3. Corporate countries go to war
Behind the lies they're fighting for
And black gold from an old king's soul won his round

X2: How can someone take a life
In the name of god and say it's right
How does money lead to greed
When there's still hungry mouths to feed

Yeah, Yeah

R: What is the distance...

We need forgiveness
We all need a lot of love....

*: We need some hope
We need it now
A little faith
A little faith
man help me out
I'll learn to pray
But it's too late now

(solo)

Yeah, Yeah

R: What is the distance...

What is the distance
between a bullet and a gun
We need forgiveness
We all need a lot of love...

A lot of love...
A lot of love...
