I've been lied to, you been cheated I've been cried to, you been mistreated I've been watching you, you want action You need love and I need satisfaction

I'm burning for love
Filled with desire
I can't stand the heat
And my heart's on fire
I can't get enough
It's down to the wire
I'm making my move, I'm looking for you
I'm burning for love

You're the victim it's in your eyes I'm the suspect and love's the crime Tensions mounting bodies shaking I can't take the anticipation

I'm burning for love
Filled with desire
I can't stand the heat
And my heart's on fire
I can't get enough
It's down to the wire
I'm making my move, I'm looking for you
I'm burning for love

Now that I got you in my sight Can't take another sleepless night Oh, no, no You can run but you can't hide You're the only one I need To feel the fire inside

I'm burning for love
Filled with desire
I can't stand the heat
And my heart's on fire
I can't get enough
It's down to the wire
I'm making my move, I'm looking for you
I'm burning for love
