

## Diamond Ring

Bon Jovi

Diamond ring, wear it on your hand  
Its gonna tell the world, Im your only man  
Diamond ring, diamond ring  
Baby, you're my everything, diamond ring

Red, red rose brought it home to you  
Blood red rose, tells me that you're true  
Red, red rose, blood-red rose  
Like a fire inside that grows, blood-red rose

When you're hungry, I will fill you up  
When you're thirsty, drink out of my loving cup  
When you're crying, I'll be the tears for you  
There's nothing that I wouldn't do for you

When you're hungry, I will fill you up  
When you're thirsty, drink out of my loving cup  
When you're crying, I'll be the tears for you  
There's nothing that I wouldn't do for you

You know, I bleed every night you sleep  
Cause I don't know if Im in your dreams  
I want to be your everything...

Diamond ring, wear it on your hand  
Its gonna tell the world, Im your only man  
Diamond ring, diamond ring  
Baby, you're my everything, diamond ring  
Darling, you're my everything, diamond ring  
Now, youve got me on your string... diamond ring
