

Get Ready

Bon Jovi

You need someone to make it last
No Romeos will love and leave you fast... they fade away
Tonight you're not gonna be alone making love on the telephone
Baby baby if you can hold on
I'm gonna take you all the way tonight
I like'em down and dirty so hold on tight
C'mon, c'mon c'mon... get ready
C'mon, c'mon c'mon... get ready
You're looking sharp in your dancing shoes
You got the style and you got the move you're so hot girl and on the move
You're caught up in a danger zone, just seventeen but you act full grown
Night life baby is turning you on
You wanna take me all the way tonight
Take my hand can you feel the heat... make you feel alright

C'mon, c'mon c'mon... get ready
C'mon, c'mon c'mon... get ready
