

# I Love This Town

**Bon Jovi**

I always knew, that I'd like this place  
You don't have to look too far, to find a friendly face  
I feel alive when I'm walkin' on the street  
I feel the heart of the city poundin' underneath my feet

Yeah let the world keep spinning round 'n' round  
This is where it's goin' down, down, down  
That's why I, love this town  
That's why I, keep co-min' round

Say hey (say hey) say yeah (say yeah)  
You make me feel at home some how, right, now  
That's why I, love this town

I've got some good friends here, I might have broke a heart or two  
It's gettin' loud over there, they boys must have had a few  
And hey the cop on the corner, he knows everybody's name  
And a kid with a dream singin' for some spare loose change

Yeah let the world keep spinning round 'n' round  
This is where it's goin' down, down, down  
That's why I, love this town  
That's why I, keep co-min' round

Say hey (say hey) say yeah (say yeah)  
You make me feel at home some how, right, now

That's why I, love this town

There's shoutin' from the rooftops  
Dancin' on the bars  
Hangin' out the window  
Drivin' in their famous cars  
You want it? You got it  
You ready? I'm on it  
Come on now, here we go again....

That's why I, love this town  
That's why I, love this town

No matter where you're from, tonight you're from right here  
This is where it all goes down, down, down  
That's why I, love this town

Say hey (say hey) say yeah (say yeah)  
I love this town  
Say hey (say hey) say yeah (say yeah)  
I love this town  
Say hey (say hey) say yeah (say yeah)  
I love this town

Say hey (say hey) say yeah (say yeah)  
I loove this town
