

In and Out of Love

Bon Jovi

Young and wired
Set to explode in the heat
You won't tire
Cause baby was born with the beat
Take you higher than you've ever known
Then drive you down to your knees
I'll pick you up when you've had enough
You been burned baby lessons learned

In and out of love
Hear what I'm sayin'
In and out of love
It's the way that we're playing
In and out of love
Too much is never enough
She's gonna get ya

Running wild
When me and my boys hit the streets
Right on time
She's here to make my night complete
Then I'm long gone I got another show
One more town, one mile to go
One endless night of fantasy
Is all she left of her with me

In and out of love
Hear what I'm sayin'
In and out of love
It's the way that we're playing
In and out of love
Too much is never enough
She's gonna get ya
